O R D E R

On July 18, 1984, South Central Bell Telephone Company, by counsel, filed its Motion for Extension of Time (until July 27, 1984) within which to respond to the Commission's requests for information dated July 13, 1984.

In support of the Motion, South Central Bell Telephone Company states that said Orders were not received by the Company until Monday, July 16, 1984, and that because of the extensiveness of the requests for comment and data, it will not be feasible to respond in five working days, that certain of the information and comment requested by the Commission appears to require data that is in the hands of independent companies and not within the Company's control, and that other items require comments on orders of the Florida Commission which orders the Company must obtain and review.

Done at Frankfort, Kentucky, this 20th day of July, 1984.

Richard D. Herman  
For the Commission

**Acting Secretary**
